Getting started with Computer Hardware

Computer Club Meeting #1, **Oct 4th, 2018**

Getting started with Computer Hardware

We are waiting for the computers to arrive (╯°□°)╯︵ ┻━┻

What makes up a computer?

- CPU
- RAM
- Motherboard
- GPU
- HDD/SSD

Let's build one!

- It will host the Computer Club's Linux server.
- We will be recycling computers from the school
  - They were destined to be e-waste.

Let's go!
